

The figure displays 25 individual plots arranged in a 5x5 grid, each showing the evolution of a metric over 135 minutes. The plots are labeled A1 through D6. The x-axis for all plots is 'minutes' (0 to 135). The y-axis is unlabeled but has a scale from 0 to 1. The plots show various patterns of change, including increases, decreases, and stability. Some plots are labeled 'BLANK' in blue text.
